

# Armenian partners and community leaders visit to Ukraine

On 15-17 October, 2013 the 5th Managerial Meeting was held in Ukraine. The delegation from Armenia consisted of CDPF Program Specialist, "NGO Center" representative and Armenian community leaders of Tchambarak and Azatan.

The managerial meeting was aimed at discussion of project issues, including upcoming activities and PR component. The following activities were on the agenda of the meeting:

- Opening session of the exhibition "The Richness in Diversity"
- Experience exchange visit to Borodyanka and Ivankiv communities
- Round table discussion.

On October 15, the official opening ceremony of the international amateur photo exhibition "Richness in diversity" was held. The exhibition featured more than 40 photographs of Ukrainian and Armenian authors, winners of the photo contest, which lasted from November 1, 2012 to June 1, 2013.

The opening ceremony of the exhibition was attended by representatives of the Government of Ukraine, national and international donor agencies, civil society and media representatives, photographers etc.

On October 16 an exchange visit of local leaders from Armenia was organized to Borodyanka and Ivankiv communities. During the visits the delegation met with the heads of communities, NGO and cultural institutions active representatives who presented what they have done in their communities within the project framework,

their achievements and problems. In the Ivankiv community the meeting was followed by visits to community's best kindergarten, cultural house etc.

On the last day of the visit, a round-table discussion was organized by GURT Resource Center with participation of the national minority representatives. After the round-table meeting the project partners discussed some programmatic and financial issues concerning the upcoming activities.
